CAR CARE MINISTRY

PURPOSE

The Car Care Ministry reaches out to single moms, widows and ladies that have difficulty affording regular maintenance and minor repairs done on their vehicles.

It also reaches out to women in all areas of Matthews, Charlotte and the surrounding areas, primarily thru churches, women's organizations, and word of mouth.

VOLUNTEER

Volunteers are welcome You don't have to be a mechanic to help. Men and women alike can be involved in this ministry. Men can assist by helping in the work on the vehicles. Women can help by partnering with other women in need through prayer, ministry, encouragement, and friendship.

Serving Christ through helping others with their needs

DONATIONS

Donated vehicles are welcome, as many times there is a need for a more reliable vehicle for our participants in the program.

Parts, supplies and services are donated free of charge.

Fat Man Fabrications has provided its garage space in Mint Hill for the ministry that meets every other month, on Saturday mornings. The date is established weeks in advance.
